FAMILY ESTATES AT THE WOODLAWN CEMETERY

Honoring Those You Love with a Custom Family Estate at The Woodlawn Cemetery.

When selecting and planning your family estate, consider:
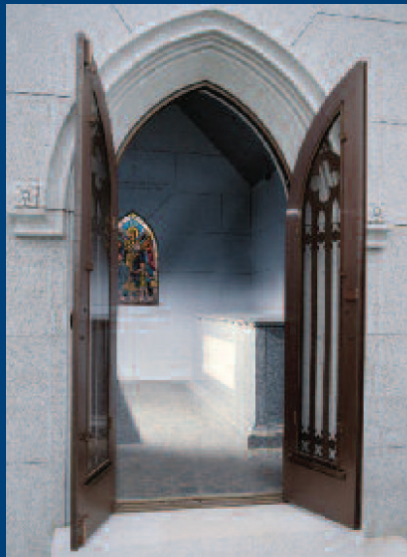

Granite

The perfect construction material can eloquently depict the life and preferences of your loved one. Consider the type of material and color to best represent a life well lived.

Land

Finding the perfect location for your family estate should be your first and most important consideration. At Woodlawn, many historic estate properties are available for the construction of a custom, landmark memorial.

Custom Doors

Entryway to the most sacred of memorials, the final resting place of a loved one. Enshrine their memory forever with the elegance and stunning beauty of a customized bronze door.

Stained Glass

Customized stained glass windows provide a unique and personal portrayal of the life, beliefs and relationships of your loved one. Nothing speaks more eloquently of the life and times of an individual than a beautifully handcrafted stained glass window.
